This event has been months of planning from our very small Home and School team, a lot of hours go into creating such big events like this. Thank you to the parent and teacher helpers that have put their hands up so far it's greatly appreciated.

And a huge shout out to our sponsors again, we have been overwhelmed and extremely humbled by the response we've received this year, you're all amazing!

We're looking forward to seeing everyone on the night 🎬
