'Learning for the future'

28th October 2015

Dear Parents & Caregivers, Tena koutou katoa

2016 SCHOOL ORGANISATION

Yes it is that time of the year again - time for planning the school organisation for 2016. A considerable amount of time is put into organising classes for the New Year. A wide range of factors are considered including, in no set order the following:

- Gender balance, interests and abilities.
- Special needs Ministry of Education Resourcing
- Any additional Board of Trustees Resourcing
- Teacher wishes where appropriate
- Parent wishes where appropriate
- Peer relationships – both positive and negative
- School organisation needs

If you are leaving Kamo Primary in 2015, please let us know so we can take that into consideration when setting up classes.

If you have information that you would like to share with us, to assist us with 2016 class placements, please put your views in writing and return them to the school office by Friday 13th November at the latest. Such requests need to be based around social, health or education factors. However, it is not easy to meet all requests and we do reserve the right to exercise our professional judgment in making final decisions. Also a request does not mean automatically that it will be followed. The process is a very inclusive one with the final decisions resting with the school management team.

There will be some year level changes for next year, please see below...
