

Skip-A-Thon! Friday 30th June 2017

Tomorrow is the day of our Skip-A-Thon!

On behalf of the Board of Trustees, Home and School Team and the Teachers of Kamo Primary School, we ask that you please consider sponsoring our Skip-A-Thon.

Skipping has so many benefits from co-ordination, agility, bone density, weight control, rhythm and circulation being just a few to mention.

It has been wonderful to see students skipping in breaks and with class challenges.

Please consider donating, as all donations will be appreciated! And if you are wondering where that junior playground is, a very basic one costs \$84,000, which is serious money. We would like to add a few extras and we will be applying for funding support. So we need to get skipping!! Home and School have chosen a healthy alternative to raise funds. If you are able to make that goal of \$10.00 your child can keep the rope. Teachers have been thrilled to witness skipping growth.

Money raised is due in from tomorrow.

Kamo parents you are incredible and there is no denying your generosity, along with the fact that you are legends in leaving a legacy for all to enjoy!!

Please join us tomorrow if you can!

Times: Kauri 10.15am - Rimu 11.35am – Pono 12.15pm Kowhai 12.40pm
