

Please place the following on our comms ...

Kia ora koutou, after much consideration and heartbreak as we are a school that likes to be open, we are letting you know that school will NOT be open again tomorrow. At KPS we pride ourselves at being open for our community, however this weather event has restricted us all and safety is the priority. We must also respect we are in Red, a state of emergency. Thank you for your support!

We are intent that we are all go Wednesday and look forward to confirming that tomorrow.

From
Sally Wilson and the team at KPS
We are missing our students!
