

Kia ora koutou, This is to let you know school will be closed on Thursday 16th March for the Nationwide Teachers and Principals strike.
This means we will not have staff onsite.

Kidzone has offered to be open for the day so for those who need this service you can txt or call 0211897949. This is a service you pay for.

We understand this is an inconvenience for you all and we try so hard not to do this to our valued school community. However the conditions and especially not having the resources for our students has gone on for too long unaddressed.

Thank you
Sally Wilson
